THE CAREY PARK PRIMARY SCHOOL CHATTER

CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

3 November 2020

Interschool Carnivals
The first part of the Interschool Athletics Carnival will be held tomorrow (Wednesday, 4th November). The Years 4 to 6 students representing Carey Park in the jumping and throwing events will compete at the Hay Park Athletic Centre. The events begin at 10.00 a.m. and parents and carers are very welcome to cheer the students on. The main carnival for the Years 4 to 6 students competing in the running and team game events is on Friday, 6th November, also at the Hay Park Athletic Centre and will start at 10.00 a.m. Again we welcome all parents and carers to attend and see our best athletes in action. Our students have been training under the guidance of Mr Glen Jolliffe and are looking forward to representing Carey Park and wearing the Carey Park sports uniform.

Faction Athletics Carnival - Fantastic Community and P & C Support
The School Faction Athletics Carnival in Week 1 was a great success. Thanks goes out to all the families that came and cheered the students on and also supported the P & C through the Canteen. A healthy amount was raised due to the amazing food and drinks offered by Mrs Milligan and helpers in the Canteen. We are extremely lucky to have such a talented Canteen Manager who works incredibly hard for our school.

P & C Meeting
The second last P & C meeting for 2020 will be held on **Friday November 13th** in the Library between 2.00 p.m. and 3.00 p.m. The meeting is informal and provides an opportunity to meet and discuss what is happening in the school and our plans for 2021. Our very friendly and supportive P & C always welcomes new members. Now is a great time to join us, to get involved in what is happening at Carey Park Primary School and to support the education of our children as we move in to 2021.

Physical Activity
As the weather gets warmer and the afternoon light stays with us longer it is a great time to ensure your child is out and being physically active. Findings from research conducted by the Department of Sport and Recreation show:

· There is a positive link between physical activity and academic achievement.
· Physical activity leads to improvements in maths and reading.
· Physical activity improves memory, behaviour, concentration and reasoning.

These are all great reasons to ensure your child is at school on time each day to participate in our Morning Fitness Program and to schedule at least three or four sessions a week being outside and physically active.

Remembrance Day
Next Wednesday, 11th November is Remembrance Day. We will participate in Remembrance Day on this day and will have poppies available for a coin donation. The donation goes directly to the Returned and Services League (RSL) and is used to support all those that have served for Australia in conflicts around the world. The poppies will be available on the morning before school by the Breakfast Club and all family members are welcome to make a donation for a poppy.

Non-Returning Students in 2021
To assist us with our planning for 2020, we need to determine the number of children who **WILL NOT** be returning to Carey Park Primary School next year. A form was included in the last newsletter for parents/carers to complete if their child or children **will not** be returning in 2021. If this applies to you, please complete the form and return it to the front office as soon as possible. If your children are returning to CPPS in 2021 there is no need to return the slip.

Kindy Student Enrolments for 2021
All parents with children born between **July 1st 2015** and **June 30th 2016** are encouraged to enrol their child in our Kindy program for 2021 as soon as possible. With current enrolment numbers we have decided to run with **1 x Kindy** group and **1 x K/P** class next year (as well as a straight PP class). Based on this, we have **a maximum of 7** Kindy places still available for additional students. Once these places fill up, additional Kindy enrolments will need to be placed onto a waiting list for any places that may open up during the year. If you know anyone who has a child who will be of kindy age in 2021 living in the area, please encourage them to enrol them at the school as soon as possible to avoid missing out on a place.

Year 6 Camp 2021
We are currently in the process of organising the Year 6 Camp for 2021. All Year 5 families will be contacted shortly to be given information relating to the location, costs and other details relating to the camp.

VacSwim

Enrolments are now open for VacSwim swimming lessons during the summer school holidays.

VacSwim in January offers fun lessons at the beach or pool locations during the long break. Not only are they a great school holiday activity, they teach valuable safety skills to help keep your child safe in the water.

Your children can start as young as five years old.

Don't wait! Enrol your children in VacSwim now at education.wa.edu.au/vacswim

Gifted and Talented Program Year 5 enrolments open **NOW**!

Your child can discover a world of opportunities in the Gifted and Talented Secondary Selective Entrance Program at Bunbury Senior High School. They will study with other exceptionally able students in learning environments that will challenge, inspire and empower them to excel every day.

If you've never thought that your child has the potential, there is only one way to find – apply to do the Academic Selective Entrance Test (ASET). Enrolments for 2022 begin with the selection test in February 2021. You must apply to do the test before 8th February 2021.

See the Department of Education's website for more details.

CHOOSE KINDNESS DAY

13 NOVEMBER

How will you...

Show some care
Share some kindness

A day for all to take that extra time to reach out and share some kindness. Please consider how you can contribute.

To help share messages of care and kindness we have created two useful activities

A CARD FULL OF KINDNESS

Free delivery can be arranged

The reverse side of the card provides a space to write your kind message and share with a customer, work colleague, family member neighbour or even for your own pocket.

A POCKET FULL OF KINDNESS

Template available to email

For classes, groups or individuals then share your message of kindness

Please share your caring messages and acts of kindness on Facebook and tag @chooserespectbunbury and on Instagram with #chooserespectbunbury #bekindbunbury

The more we can show kindness, the more we can show caring in our community, the more it invites others to also be kind and caring, and that helps grow a culture of respect.
