THE CAREY PARK PRIMARY SCHOOL CHATTER

CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

17 November 2020

Presentation Assembly
An early reminder to all parents and carers that the annual Presentation Assembly will be held on Friday, 11th December starting at 8.45 am in the undercover area. Book Awards will be presented to students from each class. 'Movies" is the theme for the Presentation Assembly and classes will be singing songs related to this theme. This will be an entertaining assembly that should not be missed. All parents, carers and extended family are invited to attend.

Graduation Ceremony
Our Year 6 Graduation Ceremony is scheduled for Tuesday, 15th December. The ceremony will commence at 11.20 am and run for approximately 40 minutes. The Year 6 students will perform and be awarded certificates of graduation. The students will also be awarded the special Year 6 awards, such as Dux and Citizenship. Families of our Year 6 students are invited to attend. There will be a photo opportunity after the ceremony before the students depart for their Graduation Lunch.

Hats
The weather has quickly warmed up and as a result the intensity of the sun is much stronger. A reminder that the green broad brimmed hats are compulsory for play at Carey Park Primary School. Any students without a hat must stay inside the gates, under cover during morning recess, and in designated shaded areas on the oval during afternoon recess. Please ask your child if they still have a hat and follow up with purchasing one if they have lost it. All students need a hat for sport as well. Your support in teaching the children about sun safety is appreciated.

End of Year Planning
As we move so quickly towards the end of the school year it is important to work together to ensure students have the best success and remain on task right up to the last day. There will be lots of reward activities, changes to the daily program and Christmas-based activities, however we do aim to keep routines in place right to the end of term. We aim for all students to participate in the end of term reward programs, however it is dependant upon their attitude, effort and behaviour in the coming weeks. Let us keep the focus on getting it right at school, so we finish the school year in a positive and happy way.

Electronic Devices at Home
Regular and structured routines at home are a great support for our students, helping them to be ready for school each day. At this time of the year many of our children are coming to school very tired, simply because they are going to bed way too late due to being fixated on playing electronic screen-based games. Our children need to go to bed at an appropriate time, because their learning is seriously affected when they come to school tired. **Limiting the amount of screen time on Tablets, Computers, the X-Box, and so on is essential.** After 7.00 pm, all devices should be turned off and locked away and out of bedrooms. This will give your child time to wind down and get ready for bed, which for our older students should be **no later than 8.30 pm** and earlier for younger children. Please support us with this, as it is essential that we all work together to get the best possible outcomes for our children in order to ensure success for them later in life.

Non-Returning Students in 2021
To assist us with our planning for 2021, we need to determine the number of children who **WILL NOT** be returning to Carey Park Primary School next year. A form was included in a previous newsletter for parents/carers to complete if their child or children will not be returning in 2021. If this applies to you, please complete the form and return it to the front office as soon as possible, or alternatively, just give the staff in the front office a phone call to notify us verbally.

NAIDOC Week 2020
This year, NAIDOC was held from the 8th - 15th November. On Monday the 9th of November, we started off the week with a welcome assembly and morning tea for our community and elders who attended the welcome assembly. Our student councillors did an excellent job in introducing our guest speakers and displaying our Aboriginal and Torres Strait Islander flags. Thank you to all community members, guest speakers and parents who attended our welcome assembly. To finish off the week we had a special guest by the name of Phillip Walley-Stack. Phillip is an ex Carey-Park student and was pleased to have been asked to come back and share his dreaming stories, Noongar culture and language with us. We thank Phillip for coming back to Carey Park Primary School to share his cultural knowledge.

Phil Greenmount
Principal

CHOOSE RESPECT

RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

2020 Athletic Carnival Champions

	Champion	Runner Up
Year 4 Girls	Denise	Venice
Year 4 Boys	Zac & Brock	
Year 5 Girls	Jean	Tegan
Year 5 Boys	Byron	Seth
Year 6 Girls	Jaymillha	Shondyll
Year 6 Boys	Jhon	James

Congratulations and well done to all winners and students who participated and tried their best!

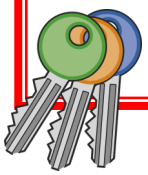
LOST PROPERTY

At Carey Park Primary School we have a lot of lost property handed in. This ranges from car/house keys to jewellery, prescription glasses and even bank cards.

If you have lost anything in the past and you can give a detailed description maybe we can return some lost property back to the right owner.

Please call the school on 9796 2900.



NAIDOC Week Photos

Coming up……

20th November (Friday) - Assembly TA14

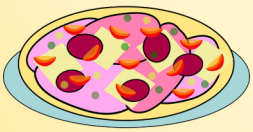
* Games supplied

Please bring along a plate of food to share as you get to know your fellow Carey Parkers.



We'd hope to see you there.

In conjunction with Safer Community Networks.

positive partnerships
Working together to support school-aged students on the autism spectrum

ONLINE WORKSHOP
WESTERN AUSTRALIAN REGIONS

Join us for our new online workshop for those in the Western Australian Region where you will have the opportunity to listen, share and learn with parents and carers who support individuals on the autism spectrum.

This online workshop is for parents, full time carers and grandparents. Join other local families to learn more about autism and ways to strengthen the home-school partnership.

During the online workshops, we will cover three topics:

- the diversity of autism, including sensory processing
- understanding behaviour
- working together with your child's school.

Location:
WESTERN AUSTRALIAN REGIONS

Date:
Thursday, 3 December 2020

Time:
Thu 9:15 AM - 2:30 PM (AWST)

NDIS AND BEHAVIOUR SUPPORT

MAKING LIFE EASIER. MAKING IT WORK FOR YOU

- Do you have a family member who can behave in challenging ways?
- Do you know about Positive Behaviour Support (PBS)?
- Do you have 'improved relationships' in your NDIS plan?
- Do you know how to get PBS included in your plan?
- Do you have behaviour support funding but don't know where to start?

Come along to our informal information session and you will hear about behaviour support and how to think about behaviour with regards to NDIS plans. Hear from a parent with lived experience.

After the session you will have a better understanding of positive behaviour support, be more confident about including PBS in your NDIS plan and will have learnt some skills to help you understand behaviour.
