THE CAREY PARK PRIMARY SCHOOL CHATTER

CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

30 June 2020

COVID-19 Update

Phase 4 of the WA roadmap to ease COVID-19 restrictions commenced on ***Monday, 29 June.*** With this in mind all schools are essentially back to normal operations. I am pleased to announce that assemblies and other school community events can occur. Adult visitors and staff should maintain physical distancing of one person per two square metres, however we will be able to once again have our regular whole school assemblies commencing in week 3 on Friday, 7 August. This event will be hosted by TA8.

I would like to take this opportunity to sincerely thank all members of the Carey Park Primary School community for their support during this difficult time, and look forward to us having a more settled and productive Term 3.

Kindergarten Enrolments for 2021

Carey Park Primary School is now taking 2021 Kindy enrolments for children born between ***1 July 2016*** and ***30 June 2017.*** Enrolment packages can be picked up from Administration. Alternatively, call the school on 9796 2900 for enquiries.
If you have or know of someone who may have a 2021 Kindy aged child, please let them know places are open, as a significant number of Enrolment Applications have already been received which is an indication that there will be a high demand for places.

School Reports

A reminder to all families that Semester 1 Reports will be sent home this Friday. Due to the interruptions associated with the COVID-19 Pandemic, student reports will look a little different than usual. In line with Education Department instructions, student reports will not contain grades for each learning area and comments will describe students' progress over the semester and not their achievement. Each child's report (except for Kindy) will contain a detailed message regarding this in the Principal's Comment. If you have any concerns about your child's report or would like more information, please contact your child's classroom teacher and set up a meeting for early in Term 3.

Whole School Reward

To celebrate the achievement of everyone who has earned CARE Cards during the term we have invited all students to participate in a **Free Dress Day and Disco** this Friday. The junior students will be having their disco prior to the lunch break, and the seniors will be having theirs just after lunch. Many children are very excited about this event, however we have told them that while it is free dress, some clothes may not be suitable for various reasons (for example: clothing with offensive slogans, or items that are too revealing). Families are encouraged to check that the clothing their child chooses are suitable to wear before sending them to school on Friday morning.

P & C Event: Hot Chip Day on Friday

On Friday, the School P&C have organised chip day lunch for the students. For the small cost of $5 your child will receive a bucket of chips and a fruit drink. Order forms are available from the canteen and the front office, with last orders being taken on Friday morning before the first siren.

School Holidays

End of Term 2 School Holidays begin this Friday at 3:05pm and the students are expected back at school on **Tuesday 21st of July.** It is important that students have a good break from school and return rested and ready to attend for a productive Term 3. With school operations returning to normal, we look forward to a range of exciting events next term, commencing with the whole school assembly in Week 3.
