

Carey Park Primary School

Principal: Phil Greenmount

CARE: Challenge, Achieve, Respect, Encourage

Dear parents/carers and staff

There has been a positive case of COVID-19 in **Year 2** and in **Year 4** at Carey Park Primary School. On advice from WA Health, I am providing the following information.

They attended school on Monday March 11th while infectious between Sunday March 9th and now

Any staff and students who are identified as **close contacts** have been contacted by the school.

You can find out more about what to do if you are a close contact including testing dates at healthywa.wa.gov.au.

Advice for all families and staff:

- The school remains open.
- If your child is **not** identified as a close contact, your child is **not** required to quarantine and should attend school.
- If staff **are not** identified as a close contact, they are not required to quarantine and should attend school.
- As for everyone in Western Australia, we ask that you monitor your child/yourself for symptoms of COVID-19 and get tested and isolate until you receive a negative result, if symptoms develop.
- If you or your child develop symptoms, **please do not** attend school.
- Please note that the Omicron strain can present with less typical symptoms such as diarrhoea, particularly in children.

If you have queries or concerns, please contact WA Health on 1300 316 555.

Kind regards

Phil Greenmount
