CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

14 June 2022

Our New School Website:

I am pleased to announce that our new Carey Park Primary School Website is now live. You can find our Website by either searching Carey Park Primary School in Google, or by typing the following address into your web browser: www.careyparkps.wa.edu.au

Our Website is beautifully presented and is very easy to navigate. Simply start at the Homepage and choose from the tabs at the top to search for the information you need, such as: our specialist programs, fortnightly newsletters, our P&C and Canteen (*including menus and price lists),* forms (*for enrolments, booklists and absences),* important news and school events, and school contact details.

Please take the time to have a look at our new Website and provide us with any feedback that you may have about it. Special thanks goes to Cathy Smith of Catco Enterprises, who has worked tirelessly to set up and manage our Website.

P & C Meeting

The next meeting is scheduled for **this Friday (17th June)** in our School Staffroom from **2.00 pm.** All parents and carers are most welcome to be part of this vitally important group in our school, who work hard to provide support in a range of ways to improve the social, emotional and educational opportunities for our children. Any help or support with the various P & C activities that happen around the school is greatly appreciated, as the small number of parents involved at present are not able to do it all on their own. As a member of the P & C, the only expectation is that you help out where you can and what fits in with your other commitments.

Please take the time to come along to the meeting on Friday, where you will find a relaxed and casual atmosphere, where there is no pressure to do more than you have the time for.

P & C Event: Hot Chip Day on Wednesday June 29th:

On **Wednesday of Week 10** (June 29th), the School P&C have organised chip day lunch for the students. For the small cost of $5 your child will receive a bucket of chips and a fruit drink. Order forms are available from the canteen and the front office, with last orders being taken on Tuesday June 28th.

Effort & Achievement Assembly:

On **Friday June 24th** we will be holding our final whole school assembly for the term. This assembly will be hosted by TA2, and will be special in that we will be awarding certificates of Effort and for Achievement for those students in each class who have been identified as having consistently worked at being their personal best throughout the semester.

All families and community members are welcome to attend this very special event, which will begin at 8:45am.

2023 Kindergarten:

Carey Park Primary School are now taking 2023 Kindy enrolments for children born between ***1 July 2018*** and ***30 June 2019.*** Enrolment packages can be picked up from Administration. If you know of someone who may have a 2023 kindy-aged child, please let them know that places are open. Alternatively, call the school on 9796 2900 for enquiries.

Cross Country Events:

We were very fortunate to have a break in the weather last Friday that allowed us to run all Cross Country events before recess time. It was a very successful morning with lots of participants and spectators. Thanks to Mr Joliffe who organised the event and congratulations to all placegetters. It was a fun event where all competitors were told to give it their best shot and enjoy the experience.

The Interschool Cross Country event will occur on **Friday June 24th** at Adam Road Primary School. Students from Years 3 to 6 will participate in teams of 4 and will qualify through run-offs that Mr Joliffe will be holding later this week.

Have you met Bubbles Biyabeda? Bubbles is Bunbury's reading mascot and loves reading, singing, yarning, rhyming and all things language.

Recently Bubbles went out and about with Janine from the CPC to see some ReDiscover Bunbury street art and had a wonderful time exploring the amazing murals painted all over walls in the centre of Bunbury. Are you looking for something free and fun to do during the school holidays? Pop into the CPC and we'll print you off a mural map!

Bubbles understands that reading doesn't come easily to everyone though, and not everyone finds it fun. Here are some great websites with tips to help make reading enjoyable for the whole family!
