CAREY PARK PRIMARY SCHOOL AND CHILD & PARENT CENTRE CHATTER

CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

25 July 2022

Welcome Back:

Welcome back to all our families for another busy term. The Term 3 Planner that was sent home at the end of last term will keep you up-to-date with the Term's events. Major events include PEAC Testing for our Year 4s, Book Week, Swimming Lessons for Pre-Primary to Year 4 students in weeks 7 & 8, and the Art Show and Open Day on September 21st. I encourage all families to keep up to date with school events via **our PBIS Rewards Family App** and to support our school by encouraging their children's full participation in all events.

I encourage all families to keep up to date with current events via **PBIS Rewards Family.** When using the **PBIS Rewards Family App**, please remember to turn your notifications on in the settings on your phone, so that you can be alerted when a message is posted.

Starting the Term Well:

It is important that everyone begins the new term with a positive attitude, a determination to do their best and an enthusiasm to get involved and participate fully. You can help your children achieve this by:

- Ensuring they are well rested and have a pattern of early to bed on school days;
- Restricting the amount of screen time they have;
- Encouraging outside play every day possible;
- Having a nutritious breakfast or coming to the Breakfast Club before school; and
- Attending school every day possible and on time. Missing any days from school can have a detrimental effect on a child's learning and being late means students miss the very important meet and greet and the first lesson of the day.

Next Assembly:

The first assembly for Term 3 and will be hosted by our Year 2/3 Students from TA4. Please feel welcome to come along to this event to see our children perform their item.

Semester 1 Reports:

Semester 1 Reports were sent home at the end of last term. These represent the work the students have done in the first half of the year and provide information on the areas students have been working on, how students have achieved and areas for improvement in Semester 2. If you have any concerns or would like to further discuss your child's report, please contact your child's teacher and set up a meeting for early this term.

2022 Kindergarten Enrolments:

Carey Park Primary School are still taking 2022 Kindy enrolments for children born between ***1 July 2018*** and ***30 June 2019.*** Enrolment packages can be picked up from Administration. We are soon required to submit our projected student numbers for next year to the Department of Education to help assist with planning, so If you know of someone who may have a 2023 kindy-aged child, please let them know places are still open, but limited.

Alternatively, call the school on 9796 2900 for enquiries.

Summary of P&C Meeting held on Friday July 22nd:

At our P&C Meeting last week, the following items were discussed:

- A possible School Disco for this semester was discussed, however, due to the level of work involved getting parent volunteers and the general organisation of the event, it was decided to postpone this until a later time.
- We will once again be looking to have a Colour Run in Term 4. Details on the date, etc., will be sent out is a couple of weeks time. We will be looking for volunteers to help out before and during the event.
- Our school canteen has been well-supported by many of our families over the years, however since COVID it has become increasingly difficult to keep it running due to reduced sales and lack of volunteers helping out. Please continue to support our canteen by not bringing your child fast food for lunch when the canteen is open each Wednesday, Thursday & Friday, and by volunteering your services where you can.
- Our School P&C is very small in numbers and we would greatly appreciate any parents who have the time to become a member of our group, so that we can work together to support our children in the school.

Phil Greenmount
Principal
