CAREY PARK PRIMARY SCHOOL AND CHILD & PARENT CENTRE CHATTER

Interschool Carnivals

Our Year 4-6 students recently participated in the Interschool Jumps and Carnival Day. The effort and behaviour of our students was a stand out, and we should be very proud of how they represented our school. Special congratulations go to Venice Sawalan (Year 6 Runner Up Girl), Analisa Merrifield (Year 5 Runner Up Girl) and Brock Cruickshank (Bronze medal for 800m). We thank Mr Jolliffe and supporting staff for their preparation and support during both days.

TA10 Effort and Achievement Assembly

This Friday 18th November is TA10's assembly. We will be giving out our end of semester Effort and Achievement certificates and our Choose Respect medallions. We hope you are able to attend.

Colour Fun Run

The Colour Fun Run is scheduled for Friday November 25th on the school oval between 2:15pm and 3:00pm. Information and entry forms were sent with our previous newsletter. Please come along to support this great event. Pop into the office for additional forms or information.

We are also seeking willing helpers to assist with the set-up and running of various stations for the *Colour Run* event. If you can help out in any way, please contact Kellee or Jodie through the CPPS P&C Facebook Page. Remember—without volunteers for this event, it will not be possible for it to go ahead, so please consider helping where you can.

First Lego League

For the second year running, a select group of our Year 5/6 students have participated in the First Lego League. ***First*** is a robotics community that prepares young people for the future through a suit of inclusive, team-based robotics programs for children. They have been preparing at school and participated in the tournament on Sunday at Treendale Primary School. Special congratulations to Lachlan Dye and Zac Higgins, who took out the Motivate Award. This award is for a team that embraces the culture of First Lego League through team building, team spirit and displayed enthusiasm. A special thanks to Mrs Menzel and Mr Sims for leading our Year 5 and 6 teams.

Presentation Assembly

Our end of year Presentation Assembly is scheduled for Friday 9th December. Each class from Pre Primary to Year 6 will take their turn on stage and individual class book awards will be presented. The extended assembly commences at 9.00am and is sure to be very entertaining. We hope you are able to attend.

Graduation Ceremony

Our Year 6 Graduation Ceremony is scheduled for Tuesday 13th December. The Year 6 students spend the morning at home getting ready and don't arrive at school until 11.00am. The ceremony commences at 11.20am for the families of the graduating students. Post ceremony, there will be a photo opportunity on the lawn. The students will then go out for lunch to Waters Edge in town. Graduation invitations will be sent home in the near future.

Swimming Lessons 2023

The start of the 2023 school year is very busy. Our Year 5/6 students (current Year 4/5's) will be off to swimming lessons at the beach during Weeks 3 and 4. That doesn't give us much time to get forms and money in, so the notes will be sent home towards the end of this year. Please support the school to be organised and return the forms and money as soon as possible.

Non-Returning Students in 2023

To assist us with our planning for 2023, we need to determine the number of children who **WILL NOT** be returning to Carey Park Primary School next year. If this applies to you, please inform the front office as soon as possible via telephone (9796 2900), email (careypark.ps@education.wa.edu.au), the PBiS app (Phillip Greenmount) or in person. If your children are returning to CPPS in 2023 there is no need to do anything. Please note that this does not apply to our current Year 6 Students, who will all be moving on to high school next year.

Kindy Student Enrolments for 2023

All parents with children born between **July 1st 2018** and **June 30th 2019** are encouraged to enrol their child in our Kindy program for 2023 as soon as possible. We currently have **28** students enrolled for Kindy next year and so will likely be running **2 x Kindy Groups.** If you know anyone who has a child who will be of kindy age in 2023 living in the area, please encourage them to enrol them at the school as soon as possible to avoid missing out on a place.

Kelly Dillon
Deputy Principal

Does your child react with aggression when something doesn't go their way, or they don't get what they want?

The good news is that it's a very normal and healthy part of child development. The bad news is that sometimes people get hurt or things get broken, and it's not how we want our kids to deal with difficult emotions throughout their lives.

In this short video (3m47s) Dr Vanessa LaPointe lets us know what we can do when our child expresses aggression.
