CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

22 August 2023 (Week 6)

P &C Fathers Day Stall:

Our P&C will be conducting a Fathers Day Stall in Week 7 (next week), where a variety of quality yet affordable items will be available for our students to purchase for the significant male in their lives. Costs for items on sale range between $1.00 and $5.00 and will be available for the students to browse and buy on ***Wednesday August 30th, Thursday August 31st and Friday September 1st.*** The stall will operate from TA3 and be open from ***8:20am until the siren at 8:45am*** on each of the days. An advertising flyer for this event is on the second page of this newsletter.

School Assembly:

Our next whole school assembly will be held this Friday (*August 25th*) and will be hosted by TA12. Please come along to support our students and help our award winners to celebrate their success.

Supporting our School Canteen

Our school canteen has been well supported by many of our families each Friday for lunches this term, however morning recess snacks have not been selling as well as anticipated. The canteen will remain open to serve snacks at recess time until the end of week 9 this term, after which time a decision will be made as to whether or not this will continue.
If you would like the canteen to continue selling morning recess snacks into term 4 and beyond, please show your support by encouraging your child/ren to buy their recess-time snacks there each Friday. Thank you also to the small number of volunteers who are helping out before and on the day.

Friday Lunches:

Just a reminder to all families that orders for Friday Lunches must be handed in to the front office of the school ***before 9:30am*** each Thursday. After this time, our volunteers will have put all orders together and commenced buying the necessary items for the number of lunches ordered. With this in mind, it will not be possible to hand in your child's order after this time each week.

School Uniforms:

It is very pleasing to see that most of our students are coming to school every day dressed in the school uniform. However, there are still a small number of students who are turning up at school each day not wearing the approved school uniform, in particular their jumper. We have a limited number of spare jumpers at the school that we presently allow students to borrow if necessary, though it is very important that for the long term each child owns a school uniform which they wear to school every day.
If any parents or carers happen to have old school uniforms at home that their children no longer wear, we would greatly appreciate them being donated to the school as second-hand items. Our P & C are able to on-sell these through the Uniform Shop at a heavily discounted rate to those families who require them.

2024 Kindergarten:

We are now taking 2024 Kindy enrolments for children born between ***1 July 2019*** and ***30 June 2020.*** Due to our rapidly growing reputation as a school of choice in the Bunbury area, we have already received several Kindy applications for 2024 and places are beginning to fill up quickly. The official cut-off date for enrolments was Friday, July 28th, applications will be accepted after this date, however once the classes are full, applicants will need to go on a waiting list. Enrolment packages can be picked up from the school administration area.
If you know of someone who may have a 2024 kindy-aged child, please let them know that places are open, though are limited. Alternatively, call the school on 9796 2900 for enquiries.

Year 7 Enrolments for 2024:

Newton Moore Senior High School have informed us that they are yet to receive all anticipated enrolments from our current Year 6 students. Out of 33 Year 6 students we still have in excess of 20 students whose families have not handed in their enrolment forms to Newton Moore Senior High. Parents and carers are reminded that all schools are expected to submit their anticipated 2024 numbers to the Education Department by Friday August 11th. After this date, decisions are made about course selections and electives, so if your child is not enrolled at a High School by this date, then it is possible that they may miss out on their preferred choices of subjects. If parents/carers have lost their enrolment forms, we do have spares available in the front office of our school.
