## CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

**8 August 2023 (Week 4)**

**School Assembly:**
The first assembly for Term 3 was hosted by our Year 1 Students from TA5 last Friday. The students in TA5 did an exceptional job in making the Wombat Wobble song come to life with their hand-made masks and choreographed dancing. Congratulations to the TA5 students and Mrs van der Kroft for such an entertaining presentation, and also to the numerous recipients of Merit Certificates and PBIS Awards. Our next whole school assembly will be on Friday August 25th, hosted by TA12.

**Supporting our School Canteen**
Our school canteen was well supported by many of our families last Friday, with morning recess snacks selling out and lots of lunches being ordered. Thank you to everyone for your support as our canteen starts up again. Thank you also to the small number of volunteers who are helping out before and on the day.

**School Uniforms:**
It is very pleasing to see that most of our students are coming to school every day dressed in the school uniform. However, there are still a small number of students who are turning up at school each day not wearing the approved school uniform, in particular their jumper. We have a limited number of spare jumpers at the school that we presently allow students to borrow if necessary, though it is very important that for the long term each child owns a school uniform which they wear to school every day.
If any parents or carers happen to have old school uniforms at home that their children no longer wear, we would greatly appreciate them being donated to the school as second-hand items. Our P & C are able to on-sell these through the Uniform Shop at a heavily discounted rate to those families who require them.

**2024 Kindergarten:**
We are now taking 2024 Kindy enrolments for children born between ***1 July 2019*** and ***30 June 2020.*** Due to our rapidly growing reputation as a school of choice in the Bunbury area, we have already received several Kindy applications for 2024 and places are beginning to fill up quickly. The official cut-off date for enrolments was last Friday, July 28th, applications will be accepted after this date, however once the classes are full, applicants will need to go on a waiting list. Enrolment packages can be picked up from the school administration area.
If you know of someone who may have a 2024 kindy-aged child, please let them know that places are open, though are limited. Alternatively, call the school on 9796 2900 for enquiries.

**Year 7 Enrolments for 2024:**
Newton Moore Senior High School have informed us that they are yet to receive all anticipated enrolments from our current Year 6 students. Out of 33 Year 6 students we still have in excess of 20 students whose families have not handed in their enrolment forms to Newton Moore Senior High. Parents and carers are reminded that all schools are expected to submit their anticipated 2024 numbers to the Education Department by Friday August 11th. After this date, decisions are made about course selections and electives, so if your child is not enrolled at a High School by this date, then it is possible that they may miss out on their preferred choices of subjects. If parents/carers have lost their enrolment forms, we do have spares available in the front office of our school.

**DoE Connect and Respect Initiative:**
The Education Minister, Tony Buti, recently released a statement that includes a series of actions and initiatives that support the work of schools to prevent and respond to aggressive and unruly behaviour from adults who come on to the school site, and the shared community responsibility to ensure safe learning environments for our students and staff. This statement outlines

***Connect and Respect***, an initiative to prevent and respond to aggressive behaviour and violence from parents and carers.
As a school, we fully support the Minister's statement, and recognise that it is important his message is communicated to all members of the community, so as to outline the Department of Education's expectations and to make everyone who enters our school, including students, staff, parents and carers, aware that they have a right to feel safe and be safe in our schools.

The Department of Education's Connect and Respect poster is included in this email. When coming on site, you may also notice the same poster displayed in classroom windows as a reminder to us all that we have a shared responsibility for providing a safe, supportive and productive environment, free from bullying, harassment, discrimination and violence.
