CAREY PARK PRIMARY SCHOOL AND CHILD & PARENT CENTRE CHATTER

CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

20 February 2024

Footy Clinics

We are excited to be working with the Carey Park Football Club over the coming weeks to promote the upcoming Footy season. The Club will be running a few sessions with some of our junior classes during school time to encourage registration with a team. Please encourage your children to play a winter sport, whether it be soccer, netball, footy or something else.

Swimming Carnival

The Swimming Carnival for Years 4-6 is coming up on Friday of Week 6 at the Harvey Pool. Notes have gone home and all students are encouraged to attend. Most of the events are fun novelty games. There is also an option for the students to participate in races if they are able to swim the required distances. There is a cost of $3.60 for entry into the Harvey Pool and to cover the lifesavers on duty. Our P&C will be running a sausage sizzle on the day at a cost of $5. If you wish to buy a hotdog and drink, please complete the P&C order form and return it to the box in the front office. If you require a replacement permission note or lunch order, please pick one up from the front office. All parents and carers are invited to attend to watch their children participate.

Voluntary Contributions and Charges

Carey Park Primary School sets its annual voluntary contributions for families in the following way:

- 1 x child = $30
- 2 x children = $50
- 3 x children = $70
- 4 x children = $90

Voluntary contributions go a long way to helping the school to purchase additional resources to provide richer educational opportunities for your children. Every child who has their Voluntary Contributions paid for by the end of ***Week 10, Term 3 (Friday September 20th)*** will go into the draw to ***win a brand new Apple iPad,*** which has been kindly donated by our School P&C. Each student paid for will account for 1 x ticket into the draw (so if you have 3 children who you pay contributions for, you will be allocated 3 x tickets into the draw). Voluntary Contributions can either be paid directly to the staff in the front office or via direct deposit to the school's bank account using internet banking. If you have any questions about this incentive, please contact the school.

PBiS App

All families should now be connected to the PBiS app. This our main way of communicating with families. However, not all families are connected. If you are **not on PBiS, please make this a priority** and aim to be on by the end of the week. It is a great way to see how your child is going at school, contact teachers and Admin and also receive whole school updates and reminders. It is essential everyone is connected.

School Uniforms

Thank you to parents and carers as the students all looked excellent in their school uniforms on day one. Wearing the correct uniform is important as it helps students feel connected and involved in their education and school environment and leads to improved academic achievement. Please support your school and child by ensuring they are in school uniform, which includes the broadbrim or "bucket" green hat, gold and bottle green polo shirt and bottle green pants. Jewellery, make up and nail polish are not part of the uniform and should be kept for weekends.

If you require any extra items, please note that the Uniform Shop is open each Friday morning from 8.15am to 8.45am. In addition, a selection of available items are on display in the front office for families to view at any time during the school day.

P&C:

Our first P&C Meeting (AGM) for 2024 was held on ***Friday February 16th.*** Thanks to all of the Parents & Carers who turned up, and also to the people who volunteered for and were elected to positions on the committee. Once this is finalised the names and positions of our committee members will be published on our PBIS Rewards App.

Parking:

Families are reminded that the staff parking area is not to be used for picking up or dropping their children off before and after school. We have limited space for staff parking and it causes frustration when staff arrive at school to find their allocated space taken. Families are advised that there is plenty of available parking on both Frankel and Woodrow Streets surrounding our school.

The Ride to School Free Program starts Monday 5 February 2024. Find all the details on the Transperth website.

In the metropolitan area and in towns where Smartriders are used, students with a valid Student SmartRider will be able to travel for free on Transperth or Transregional services for any journey Monday to Friday, until the end of the school year.

Students must tag on and off each journey to receive the free travel or they will receive a default fare. If their SmartRider goes into a negative balance as a result, they will not have access to free travel.

Students attending schools located near the Armadale/Thornlie Line have previously received information about Shutdown free travel passes. Students can now access their free travel using their SmartRider instead.

Fare-free Sundays will be available to everyone with a valid SmartRider card. Fare-free Sundays start on 4 February.

Some school students don't get their Student SmartRiders until the end of February. If a student does not have a SmartRider on 5 February they will be allowed to travel for free without a valid ticket, however, from 1 March students must have their Student SmartRider to travel for free, or purchase a cash ticket.

When students have received their Student SmartRider they should start using it immediately by tagging on and off each journey to avoid their SmartRider failing to activate.

To find information about Student SmartRiders visit the Transperth website.

Child and Parent Centre Carey Park

New program added to the CPC timetable for Term 1, especially for parents/carers of children aged 4 to 8 years!!
