Congratulations– Students Heading to Japan:
A massive congratulations to 3 past and present Carey Park kids, Allee, Jayce and Ari, who have been selected for the Tokyo Talent Tour– Goodwill visit to Setagaya. We wish you all the very best on your tour in September and hope you make memories for life. Thank you to our Japanese Specialist teacher, Sensei Olman, for this amazing opportunity for our students.

P&C Meeting:
We had a P&C meeting during Week 4. We discussed some future fundraising ideas for some exciting new projects that the kids need around the school. If you have time to help, jump onto the Carey Park P&C Facebook page and let them know, or come along to the next meeting in **Week 8, Friday 7th June**. Giving back and volunteering your time, if you have the time available, is a really great example for your kids.

Mangrove Cove Excursion:
Last week, our Year 3 and 4 students attended an excursion to Mangrove Cove. The students learnt about biological systems in science, with links to the Noongar seasons and food. The students all came home exhausted after a day packed full of fun.

CHOOSE RESPECT
RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

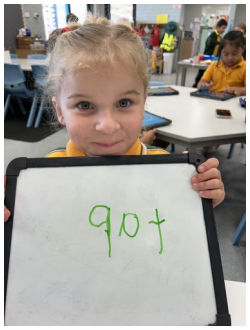
SEDA Students on Site:
Last week the SEDA students from our Bunbury Campus were at Carey Park for our Phys Ed lessons. They supported Mrs Blee with some rotations of soccer, AFL, netball and basketball. The students always love having them here.

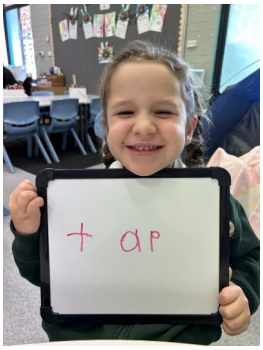
Swimming Lessons:
Swimming Lessons for our students from Pre Primary to Year 6 are coming up in **less than 2 weeks time**. Remember that you can make part payments for events like this, so when the due date arrives the final balance isn't as high. Start your payments now to secure a place for your child/ren. There are limited spaces on the bus. **First in, best dressed.**

Mother's Day in PP1:

School Uniforms:
The Uniform Shop is open every Friday from 8.15am—8.45am to purchase uniforms. Zip Jackets are available to purchase for $30.00. Please remember to put your child's name on the label… we find them everywhere.

Students in PP2 Learning to Write CVC Words:





Premier's Reading Challenge:
Embark on an epic reading journey and be in the running to win weekly prizes in the 2024 Premier's Reading Challenge. The mission is for students in Kindy to Year 10 to read 12 books over 4 months from 6th May to 6th September. Sign your child/ren up to encourage their love of reading and improve their future academic success.

Science Fun!
