School Cross Country and Fun Run:

Staff First Aid Course:
Staff from Carey Park attended a 2 day First Aid course last week to ensure we are up to date for all our first aid needs.

Cluster 4 Maths:
In the Year 5 cluster Maths class, the students are learning how to use appropriate units of measurement for length and area. We measured the oval and calculated how many laps are required to make a kilometre. We are also learning to calculate the perimeter and area of shapes.

Visit from Author, Dianne Wolfer:
Last Friday, our Year 5 and 6 students went to the Bunbury Regional Entertainment Centre (BREC) to watch a performance of "The Lighthouse Girl". This play is based on a series of books by author, Dianne Wolfer. We were lucky enough to have Dianne visit the school and talk to the children about her books and give them a preview before the show. Thank you for organising this experience, Mrs Blee.
