CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

15 October 2024 (Week 2)

Welcome Back :

Welcome back to all our families for another busy term. The Term 4 Planner that was sent out to all families early late last term will keep you up-to-date with the terms events. Major events include our ***Athletics Carnival Events*** on yesterday (jumps & throws), Thursday (800m event) and Friday (all other events), **School Photos** in Week 3, our ***Interschool Athletics*** events in Week 4, our ***Pre-Kindy Program*** commencing mid-term, Year 6 Transition Program later in the term, Year 6 Camp in Week 9 and our ***Presentation and Graduation Assemblies*** on December 6th and 10th respectively. I encourage all families to keep up to date with the calendar via the PBIS Rewards App and to support us by encouraging their children's full participation in all school events.

Starting the Term Well:

It is important that everyone begins the new term with a positive attitude, determination to do their best and show enthusiasm to be involved and participate fully. You can help your children achieve this by:

- Ensuring they are well rested and have a pattern of early to bed on school days;
- Restricting the amount of screen time they have;
- Encouraging outside play;
- Having a nutritious breakfast or coming to the Breakfast Club before school starts; and
- Attending school every day possible and on time. Missing any days can have a detrimental effect on learning and being late means students miss the very important meet and greet and the first lesson of the day.

Athletics Carnival:

This Friday (October 18th) we have our whole school ***Athletics Carnival.*** Students from *Pre Primary to Year 6* will be competing in factions through a wide range of athletic events. This rotational carnival has students active all day, participating in running races, athletic tabloids, team games and jumping and throwing events. Parents and carers can watch the events from close up and enjoy a picnic under the trees at recess and at lunch time. This is a very informal way of seeing how our school operates, being able to cheer students on and support their faction. A coffee van will be on site from 10am and icy poles will be on sale at the end of the day from the canteen for $1.00 each.

Hats at School:

Being in Term 4 we are now moving to longer and warmer days with the sun intensity rising each day. As a result, it is important that all students bring a broad-brimmed hat to school to wear each day during break times and while participating in sporting/outdoor activities. Children without a hat will not be permitted to play out on the oval during break times, and will be required to remain in a shaded spot in the Quad area. We do have spare hats available, however they are for occasional use by students who forget them and not for regular use. To avoid unnecessary inconvenience, ***please ensure that your child has their name clearly written on their hat***, and senior students need to remember to place their hat in their school bag at the start of each day in preparation for wearing it at school.

Non-Returning Students in 2025:

To assist us with our planning for 2025, we are requesting families of those children who are **NOT** returning to Carey Park Primary next year (with the exception of the current Year 6 Students) to let us know. This will greatly assist us in planning our class structures for next year. If you are not returning, please contact the front office on 9796 2900 or send us a message via the PBIS Rewards App.

2025 Kindergarten Enrolments:

Carey Park Primary School are still taking 2025 Kindy enrolments for children born between ***1 July 2020*** and ***30 June 2021.*** Enrolment packages can be picked up from Administration. Due to strong enrolment numbers we will be running two Kindy Groups next year. We still have places for additional students, so if you know anyone who has a child who will be of Kindy age and they live in the area or are unable to enrol into their local school due to classes being full, please encourage them to enrol their child at our school as soon as possible if they have not already done so.

Art Show and Open Afternoon:

Congratulations to Mrs Rintoul for her outstanding organisation for our 2024 Art Show, which was an outstanding success. Thanks to all families who attended to observe their children's art work and also visit their classrooms.

Annual End of Term Footy Match:

Our annual end of term footy match was once again a great success, with many families turning up to participate in the event. Special thanks to Mrs Dillon and Mrs Barrett for organising the event, to our team of staff who prepared and served lunch on the day, to Buckingham Butchers for supplying the sausages, and to Jackson Evans who umpired the match. The students persevered this year to win by a narrow margin. Well done and thank you to all who participated in and supported the event.

School Contributions & Charges Winner:

Congratulations to Ugyen Dorji from TA8, who was the winner of the iPad from the raffle draw for all families who made their voluntary contributions for 2024. Ugyen was indeed a very happy boy.

My Trip to Japan—By Allee Thornborough:

I first went on a plane to Singapore. It was a 5 hour flight and we got there at 10:00pm. We had to wait in the airport for hours, then it was a 6 hour flight where we arrived at Tokyo at 6am. It took an hour to get to the Tokyo Tower (pictured left), where we stayed for half an hour. We then went to the Ghibli (Animation) Museum. It was a lot of fun and there was a big cat bus you could play on if you were 12 or under. The next day we went to a Temple with statues of Tama the Lucky Cats. There were many other things that we did on the trip. My favourite part was staying with my host family where we went swimming and shopping, and on the last day with them we watched some fireworks.

On Country Visit:

On Thursday 10th of October Dave Crawford and a group of Year 11 students from Manea College lead the Year 5/6 students in participating in a series of cultural activities. They discussed different cultures then created their own cultural x-ray, and added one aspect of this to a cluster mural. Our students also participated in making friendship bracelets and face painting.

About Us

We are located on-site at Carey Park Primary School - come in the school gates on Ecclestone or Frankel Street and follow the signs to the Centre. We have two lemon trees, CPC banners and a bright red book house out the front.

All programs and services are free of charge for the Bunbury community - we are funded to provide early years support and activities for families with children from birth to 8 years old and are open to the whole community.

Bookings - bookings are not required for weekly play sessions; however, they are essential for parenting workshops. Have a chat with our friendly staff for more information!

What to bring - we provide a fruit platter for each session - families are welcome to contribute a piece of fruit. Please bring a hat for outside play and a change of clothes for your child.
