CARE: CHALLENGE-ACHIEVE-RESPECT-ENCOURAGE

1 July (Week 10)

NAIDOC Week:

To celebrate NAIDOC Week this year, we had a NAIDOC-themed tabloid morning yesterday, where we had a group of students from Newton Moore Senior High come across to help out with the various activities our students participated in. It was great to have them come across and work with our boys and girls from Years 1 to 6 to provide mentorship in running the activities and games that were planned.

Additionally, last Wednesday we had a visit from the team at SWAMS, who came in to do a series of First Nations-based activities with our students as well as provide everyone with a sausage sizzle lunch. Many thanks to Alan and the team for once again supporting our school with such an important part of our NAIDOC celebrations.

Effort & Achievement Assembly:

Last **Friday June 27th** we held our final whole school assembly for the term. The event was also special in that we awarded certificates of Effort and for Achievement for those students in each class who were identified as having consistently worked at being their personal best throughout the semester. Congratulations to all of our award recipients, and also to our TA2 students, Mrs Green and Mrs Visser for their outstanding re-enactment of Robert Roennfeldt's book - ***Tiddalick the Frog.***

2026 Kindergarten Enrolments:

We are now taking Kindergarten enrolments for children born between **1 July 2021 and 30 June 2022**. To date we have in excess of 24 students enrolled for next year. This number will be capped at 40, so If you know someone with a Kindy-aged child who has not yet enrolled them, please let them know. Enrolment packages are available from the front office. For more information, call us on **9796 2900**.

Semester 1 Reports:

Semester 1 Reports will be sent home this **Thursday** afternoon and represent the work the students have done in the first half of the year. This will provide information on the areas students have been working on, how students have achieved and areas for improvement in Semester 2. If you have any concerns or would like more information, please contact your child's classroom teacher and set up a meeting for early in Term 3.

School Development Day Term 3:

Our Term 3 School Development Day will occur on **Monday July 21st.** On this day the staff will be working with other teachers from the Bunbury South network of schools to participate in moderating samples of student writing, so as to ensure that assessments across schools in the local area are kept consistent.

School Holidays:

End of Term 2 School Holidays begin this Friday at 3:05pm and the students are expected back at school on **Tuesday 22nd of July.** It is important that students have a good break from school and return rested and ready to attend for a productive Term 3. With the start of Semester Two, we look forward to a range of exciting events next term, commencing with the whole school assembly in Week 3, as well as our Senior Students Winter Carnival in Week 4. Have a safe and enjoyable holiday.
