Book Week Dress-up Parade:

On Friday of next week ***(September 5th),*** we will be having our Book Week Dress-up Parade, where all students and staff will be given the opportunity to dress up as their favourite book character. The parade will be held during our assembly time, commencing at 8:45am. It promises to be a great event, so please come along if you can.

2026 Kindergarten Enrolments:

We are now taking Kindergarten enrolments for children born between **1 July 2021 and 30 June 2022**. Due to strong interest and our growing reputation as a school of choice, places are filling quickly. Enrolment packages are available from the front office. If you know someone with a Kindy-aged child, please let them know. For more information, call us on **9796 2900**.

Staff Changes for Term 3:

- Mrs Leeson (PP2) has decided to move back to Perth, with her last day being on Friday August 22. We wish Mrs Leeson all the best for her future endeavours
- Replacing her is Mrs Westwood, who will be working every Thursday & Friday in PP2. Ms Roukens will remain the Monday to Wednesday teacher in this class. We welcome Mrs Westwood, who is well known to the staff & students in the ECE area.

BOOGIE BOUNCE:

In Week 3 our students had a visit from the Boogie Bounce Team. Boogie Bounce is a complete exercise programme on a mini trampoline, with a safety T-Bar Handle, choreographed to a mix of tracks from across the Decades. As you can see from the photos, all who participated had a great time.

NEXT ATHLETICS:

Four classes were lucky enough to have a session with Next Athletics. Australian Athletics is on a mission to get every primary aged child active, confident and ready for their next athletics experience, from interschool meets to State opportunities. Next Athletics is the official, games based program that makes athletics fun and accessible for all abilities. All students had a great time learning about the foundations of the program of jumping, throwing and running.

Free Anxiety Coach Program

This 3-week program helps parents learn how to coach their child with anxiety.

Learning to manage anxiety is like learning a new sport or skill—it takes time, practice, and encouragement. When kids feel anxious, their brain tells them to run away or avoid something, even if it isn't truly dangerous.

Parents can help by keeping their child calm, making them feel safe, and showing them how to tell the difference between real danger and "trick" danger. With some practice and support, kids can become braver and more confident.

Parenting Ways

ANXIETY COACH™

Help to reduce anxiety and build resilience in children aged 4 to 12 years

By having a greater understanding of the problem of increasing levels of anxiety in children, parents will identify and counter its progress with practical strategies.

Parents will be taught:

- An overview of how a well-honed theory of parenting (what you need to repeatedly do) can assist parents to manage children's worries
- How some misguided policies are making parents and children more anxious
- The brain, including how the pre-frontal middle cortex and the amygdala operate, and where fear and anxiety originates
- Commonly misused phrases & cognitive distortions used by children & peers
- A helicopter view of what risks we can allow and which require us to keep children safe
- 'Traps and trip wires': what to do when a child's amygdala starts to play-up
- Memorable strengthening sayings, questioning strategies and mindfulness exercises

Monday 1st, 8th and 15th September
6pm to 8.30pm at Child & Parent Centre Carey Park
Availability to attend all 3 sessions is required
